Here at The Rustic Nest, we provide Handmade, Preloved, and upcycled items for sale. Our small shop offers a warm and welcoming environment.

The shop is run and managed by individuals who attend The Helping Hands Group Day Service. It offers experiences and knowledge around retail within a working environment, which in turn empowers and enables independence for those with additional needs of support.

Most items are handmade coming from the onsite woodwork or craft sessions.

You can check us out on Facebook too.
